Program Announcement

Spring Crops Field Day

Come take a walk through the wheat with us! On **May 19th** from **9:00 a.m. to noon**, K-State Research and Extension will host **Spring Crops Field Day** at the **Southeast Research and Extension Center** at 25092 Ness Rd., Parsons, KS. We will tour the 41 wheat variety plots and talk about controlling fusarium head blight, using cover crops for weed control, and pasture weeds and fertility. This will be an outdoor and interactive field day, so join us to see what we have growing. Please call (620) 784-5337 to register or online at the Southeast Extension Center or Wildcat District websites. For questions, please call Gretchen at (620) 820-6131. The program is free and lunch will be provided by local sponsors.

For more information, please contact James Coover, Crop Production Agent, jcoover@ksu.edu or (620) 724-8233.
