Challenge Course Waiver

DISCLOSURE

Greenbush Challenge Ropes Course programs use a variety of activities including warm-ups, games, team building initiatives and high and low ropes course activities. While some of these activities can be physically demanding, they are designed to be within the capability of anyone who is in reasonably good health.

All ropes course activities are presented on a "challenge by choice" basis, meaning that participants choose their own level of participation. Although safety is an extremely high priority of all Greenbush activities, there is a risk, which must be assumed by each participant, that he or she may suffer an emotional or physical injury.

The information requested on this form is intended to help inform challenge course staff of any preexisting medical conditions, and to help determine if consultation with your physician is recommended prior to participating in course programming.

Participant Release of Liability

I affirm that the confidential medical information I have provided is accurate and complete. I understand that failure to disclose this information could affect my own safety and those around me, and I agree to hold Greenbush harmless if full disclosure of a pre-existing medical condition has not been provided. In the event of illness or injury, consent is hereby given to provide emergency medical care, hospitalization, or other treatment, which may become necessary.

I understand that parts of the Greenbush Challenge Ropes Course may be physically and emotionally demanding. I agree to follow all safety instructions given by ropes course staff during the sessions. I recognize the inherent risk of injury on the ropes course, and that I must assume the risk of bodily injury, death, or property damage of any kind or nature whatsoever that could result from ropes course activities, the unavailability of emergency medical care, or the negligent or deliberate act of myself, another participant, or any other person. I release all staff, agents, contractors, instructors, employees, personnel, administrators, and board of directors of Greenbush from all liability for any bodily injury, death, or property damage of any kind or nature whatsoever that I may sustain as a result of participating in ropes course activities.
