

# Crawford County Fair Proposal Form

## *Option 2: Fair Board*

Fair rules and changes are not something that are taken lightly. All updates and changes should be made for the betterment of youth in the program not just one individual. You must present this completed form at a Fair Board meeting to be discussed and proposed to the Fair Review Committee. Please know that the completion of this form does not guarantee that a change will be made. **This form must be presented at or before the September Fair Board Meeting. Any forms not presented at that meeting or before will not be considered until the next year.**

1. Please write the current rule in its entirety as it is stated in the fair book that you would like to modify. You must include the department and section for which it is located. If you have the previous year, please include the page number and year.

2. Please write the change the way that you would like for it to be displayed in the Fair book.
