

# Floating on Leadership

**June 8, 2022**  
**Shady Beach Noel, MO**

Junior Leader,

I'm excited you'll be joining us for Floating on Leadership on **Wednesday June 8th** at Shady Beach in Noel. We will be floating in rafts with 20 youth from across the Wildcat District and I'm excited for you to meet these youth! We are doing the 4 mile trip but plan for it to take all day as we stop at sand bars to swim, eat, and play leadership games. Our goal is to get down there and be on the water by 9:30-10 a.m. There is the potential that we will eat dinner as a group in Joplin depending on what time we get off the river depending on how the day goes and what the group wants to do.

We are watching the weather and water height. If water levels are too high or it's raining our back-up date is June 22. We'll touch base via email/phone the week of the trip.

## Food

**Breakfast-** Encouraged to eat breakfast before you get in the van. We will be stopping at Casey's in Columbus to meet another van you may grab something there

**Lunch-** Lunch will be provided to you on the water. We will have ham and turkey sandwiches, chips, granola bars, and drinks. You may bring your own snacks for the water.

**Supper-** We may stop in Joplin to eat as a group depending on time and what everyone wants to do. Bring money just in case.

**Drinks-** We will have water and Gatorade available on the water, for lunch, and supper. Youth are welcome to bring drinks in addition to what is provided and put them in our cooler or leave in your snack bag. Please don't bring your own big, hard sided cooler. Any type of 31 bag/lunch box/snack bag, etc. is welcome to keep with you.

**Snacks-** Youth are welcome to bring their own snacks in a water proof bag and keep with them.
