

Dear 4-H members, parents, leaders, and friends,

Please pay close attention to dates on the calendar! As we get closer to fair season it is important to remember the foundation of 4-H and its purpose. 4-H is a youth development organization! It is more than showing and exhibiting at your local county fair it is the process youth takes to get to that point. 4-H is more than a ribbon or placing it is about learning and having opportunity to grow. In order to create better leaders, it is important to lead by example in order to live up to the 4-H motto. To make the best better!

Sincerely,

Will Morris

GREENBUSH 4-H CAMP

ROCK SPRINGS/SUNNY HILLS 4-H CAMP

CAMPFERENCE 4-H CAMP

4-H Campference is for youth ages 12- 14 (before January 1, 2019), and will be held June 23-26 at Rock Springs 4-H Center. Participants will experience the feel of a conference, while enjoying the 'camp' activities Rock Springs 4-H Center has to offer. This is a great transitional opportunity, as tweens go from being a camper to attending educational conferences. 4-H Campference will feature workshops about opportunities in the 4-H program and how to better interact with others. Find more details on the Kansas 4-H website!

CAMP COUNSELOR OPPORTUNITY

High School members, have you considered being a camp counselor for Greenbush or Rock Springs/Sunny Hills? Volunteering to be camp counselor would look great on a college or job application! You can find applications on our website or give Will a call/email to learn more!

4-H SHOOTING SPORTS

safety orientation April 14 to participate in the program. If you cannot make that meeting, please contact me about possibly making other arrangements. Equipment will be provided for the beginners, please leave yours at home. The veterans will begin meeting on Sunday, May 5 at 2:00 pm.

Meeting times may change as the season goes on. We will make those changes to practice times, when necessary, at practice. **So, if you miss a practice, contact me to see if there are any changes.** If you have questions or need more information, please call or text Dan Mosier II at 620-687-0643.

VOLUNTEER SCREENING AND CERTIFICATION

Interested in becoming a 4-H Volunteer or need help to update, renew, and complete volunteer certification requirements. Contact Will at willmorris@ksu.edu.

Pumpkin Contest

Each county in the Wildcat District will be hosting a pumpkin growing contest. Seeds will be provided to each youth that signs up. In the fall youth will bring their pumpkin in to be judged and do other fun activities! Optimal time for planting pumpkins in late May/early June so watch your newsletter for more information coming later this spring!

Fair Entry System

Something new this year in the Wildcat District will be the use of FairEntry system. FairEntry is a system that is designed to improve overall flow and efficiency of the fair. The use of this system will mainstream a variety of areas such as class entry (at county and state level), tracking livestock information, and even the livestock sale. The system is integrated with 4-H Online which makes it easy for families to access their information and keep organized. The use of this system district wide will not only create more time but also resources for greater more impactful programs. With the transition of utilizing this system will align the us with the rules and regulations at the state level. Adjustments will include age break outs for classes, smoother entry process, and even the opportunity to offer more classes.

STEM Camp

Are you familiar with “STEM?” The acronym stands for Science, Technology, Engineering, and Math. STEM Camp will be held at the Independence Community College Fab Lab, where 4-H members will use their tools and equipment to create and design projects. Join us June 13th. We will be going to the Independence Zoo to learn about animal artifacts then to the ICC Fab Lab. It will begin at 10am at the Independence Zoo and will end at 3pm at the ICC Fab Lab. There will be a \$10 fee for camp. To register call the Girard office at 620-724-8233.
