Judge Biography:

Hi my name is Rachel Wedel. I was a member of the Leavenworth County 4-H dog club starting in 1995 and aged out in 1998. I showed a Smooth Fox Terrier Barry in showmanship and he and I made the finals of Senior Showmanship at the Kansas State Fair in 1997. I also trained and showed a Black Labrador named Lady, who as a team we achieved winning two state titles in advanced obedience levels. We won Open A and Utility A. After graduating from 4-H, I continued to show Lady in the AKC. She earned several obedience titles during her AKC career. She died within that same year from Lymphatic Cancer. She was 6-years old.

Still wanting to be involved with 4-H, I attended and got certified as a 4-H judge. During this time I attended the University of Kansas earning a bachelor's degree in Journalism. When attending college, I became an owner of a female Sheltie named Neve. She and I had many 'disagreements' about what was expected of her, but she did earn her Championship in AKC agility, several obedience titles and herding titles.

During this time I also rescued a Papillon named Mardi. He was 2-years old at the time I took ownership. He had been a breeder return and became apparent that the original owner had verbally, emotionally and physically abused this 7-pound dog. I have to admit he was the most difficult and challenging dog I have trained/rehabilitated. By building trust Mardi became a Champion in AKC agility. He qualified and attended the AKC Nationals Agility Championships three times. In his agility career he received many first places because of his precision, timing and speed. He was known in our agility community as the "Pocket Rocket". Small, agile and fast is how I described him. In 2008 & 2009 he was ranked in the top five in the nation in the small dog agility division.

Being a rescue, Mardi and I worked every day and every competition dealing with his demons that came from the original abuse. Mardi died in 2012 at the age of 11-years old. He is remembered by me as the bravest and most loving dog. I worked hard to get him to trust me and in that building of our relationship he received and will always have a special part of me. He is truly my HEART dog. He took a piece of my heart when he left me.

I have trained and handled many different breeds of dogs, including, but not limited to an Australian Shepherd, Schipperke, Golden Retriever, Border Collies and more. Currently I own a 5-year old French Bulldog named Walter. He has earned his AKC Conformation Championship and Grand Championship as well as qualified to attend Westminster three times. He never loved agility so today he is my ugliest/cutest fur baby! He, also, is one of my HEART dogs. People ask me what my favorite breed is? And my answer is always, all of the breeds. I like the different challenge each breed offers.

Since certifying as a 4-H judge I have traveled the state of Kansas judging in places I never knew existed. I have loved being a judge because I love helping kids train their dog(s) and seeing all the hard work pay off. I have judged the Kansas State Fair six (8) times. I love cheering on all 4-Her's in their successes, even if I am the one judging them. As I have told the kids all over the state, it isn't the purple ribbon or the trophy that shows your success, but the process, practice and time you have done to receive the success and acknowledgement.
