

## Montgomery County 4-H News

May 2021

4-H families,

As we get closer to fair season it is important to remember the foundation of 4-H and its purpose. 4-H is a youth development organization! Reach out to older members, myself, or friends and family for help on your projects. It's fun to see youth develop a side business or way to support themselves from their 4-H project. Take in all the feedback you can get and use it to shape your project.

## Youth for the Quality Care of Animals

YQCA training is required for all youth who will be showing livestock at the Kansas State Fair or the Kansas Junior Livestock Show (one exception is horses.) All in-person classes are closed but you can find online classes on the YQCA website, <https://yqca.learn-grow.io> Youth will learn about reading feed tags, giving shots, and more! Youth planning to sell at county fair this class can count towards one of your 5 required meetings!

## 5 MEETINGS

Youth who plan to show a market animal and then participate in the premium livestock sale must have attended five monthly 4-H club meetings from October 1 to June 30<sup>th</sup>. Anyone completing a YQCA class outlined above will receive credit for one monthly meeting. YQCA covers animal husbandry information that is important for anyone raising livestock. First year members and full time college members are exempt. If you have questions please contact Katie. **If youth choose to sell at our fair that animal can NOT go on to another show at any level. Club secretaries please have your attendance and meeting minutes ready to turn in the first week of July.**

## What is livestock judging?

Livestock judging consists of analyzing animals and measuring them against a standard that is commonly accepted as being ideal. Livestock judging has been defined as a study of the relationship between an animal's form and function. Once youth place animals in a ranking order they will be taught to defend their rankings with oral reasons.

Livestock judging is a great way to learn to better your herd and pick out fair animals! Anyone interested in learning more about should call Cara Comstock at 620-784-5337 or [cjcomstock@ksu.edu](mailto:cjcomstock@ksu.edu). See judging camp dates on the calendar (page 1).

## What is meats judging?

4-H Meats Judging test knowledge over processed meats, retail meat cuts, reading a product label, along with judging various classes of retail cuts. Great for youth raising a herd at home to learn what processors are looking for and as a consumer what cuts are best at the store!

Anyone interested in learning more about meats judging should contact Katie Townsend at 620-331-2690 or [krohling@ksu.edu](mailto:krohling@ksu.edu) to be put in contact with coach Dick VanWinkle.

## Favorite Foods Contest

Want to practice making a food for the county fair? Or wanting to taking your cooking to the next level? Katie would love to help your family get started in the Favorite Foods Contest! This contest allows youth to cook, decorate, and set their own table. Youth are judged on whether food fits their table theme, nutrition information, etc. Even costumes are encouraged 😊 Search YouTube for “4-H Favorite Foods Instructional” and “Description of Favorite Foods Contest” for more information!

Contest is June 7<sup>th</sup> 4-6:30 in Fredonia. Transportation may be provided call the office. Entry form can be found on our website.

## INTERNSHIP

Youth 16 and older interested in working 20 hours a week @ \$7.50 for the Independence Extension office should fill out the application on our Wildcat website or call the office to obtain an application. Applications due to [krohling@ksu.edu](mailto:krohling@ksu.edu) or in person by end of day May 14<sup>th</sup>.
