

Kansas 4-H Photography Shutterbugs

Shutterbugs at Wichita Botanica, May 1, 2021

Shutterbugs at Wichita Botanica will begin at 9:15 am. There is an admission fee for each family member. Short thirty (30) minute workshops will be held from 9:15 am till closing (at noon). Admission is good for entire day and families are encouraged to spend the afternoon using cameras to record images using skills learned in the morning.

Workshop topics will include:

- How to submit photos virtually for competitions (i.e. State Fair)
- Creating a Portfolio /Entering at State Fair
- How to use your camera and “panning” to create images
- Using Kaleidoscopes to create images
- And more!
