## **Michelle Broxterman Joins Wildcat Extension District as Family & Child Development Agent**

GIRARD, Kan. Michelle Broxterman will begin serving as the Wildcat District Family and Child Development Extension Agent, effective July 25. Wildcat District has offices in Altamont, Fredonia, Girard, Independence, and Pittsburg, Kansas. Broxterman's primary office is in Girard.

Broxterman earned both her bachelor's degree in Education and her master's degree in Educational Technology from Pittsburg State University. She has most recently been employed as an ESOL (English to Speakers of Other Languages) teacher for Pittsburg Community Schools in Pittsburg, KS.

Family and Child Development agents develop and deliver educational programs to support successful families and the systems that serve them in communities. Programs may include, but are not limited to, family systems, couples and family communication, parenting, and child development.

Local extension faculty are jointly employed in a partnership between K-State Research and Extension, headquartered on the Kansas State University campus in Manhattan, and the local Extension unit.

The role of K-State Research and Extension is to encourage the adoption of research-based information to improve the quality of life for Kansans. K-State Research and Extension is the short name for the Kansas State University Agricultural Experiment Station and Cooperative Extension Service.

More information about K-State Research and Extension Wildcat District is available by calling (620) 784-5337, or visiting: [www.wildcatdistrict.ksu.edu/](http://www.wildcatdistrict.ksu.edu/). Email Michelle at [mbroxterman@ksu.edu](mailto:mbroxterman@ksu.edu)
