

Help SEK Beat The Virus

Who We Are: A group of volunteers convened by K-State Research & Extension's Wildcat District and the Kansas Leadership Center, who want to support the health of Southeast Kansas through a local lens by encouraging healthy behaviors, staying positive, and sharing local stories and resources.

Want to find a COVID-19 Vaccine?

- ✓ Visit: www.kansasvaccine.gov for COVID-19 vaccine information and frequently asked questions.
- ✓ Click on "Find my Vaccine," utilize the interactive map to identify a health department, pharmacy, or health clinic contact information to sign up.
- ✓ COVID-19 Vaccines are provided free.

Feeling sick? Wondering if it is allergies, a cold or COVID-19?

- ✓ Visit: www.gogettested.com/Kansas to find a local drive-thru FREE testing site.
- ✓ Use your computer or mobile device to choose a same-day appointment.
- ✓ Get your results in 1-3 days via text and email.
- ✓ COVID-19 tests are free and available as often as you need one.

Questions about the vaccine?

✓ Check out this conversation with Crawford County Health Officer Dr. Tim Stebbins about the COVID-19 vaccine and how it is administered.

✓ KDHE Hotline Number: 866-534-3463 (KDHEINF)
(Cannot provide personal lab results or personal medical advice)

What else can we do?

✓ Join the SEK Beats the Virus Facebook Group

✓ Read inspiring outcomes from the Kansas Beats the Virus Community Conversations

✓ Find out more COVID-recovery resources
