Let's Talk About Food

Wednesday, August 23 | 5 - 6 p.m.
Montgomery County Extension Office
410 Peter Pan Road, Independence

Our guest speaker and facilitator for the evening will be the Director of the Kansas Food Action Network, Miranda Miller-Klugesherz.

The Kansas Food Action Network is a statewide network of local food, farm, and policy councils that advocate for local, state, and national policies for more equitable access to healthy, affordable food.

As Director of the Kansas Food Action Network, Miranda supports the grassroots leadership and food systems change efforts of Kansas’ 30+ local food, farm, and policy councils.

This convening aims to learn about what a Food Policy Council is and the efforts that they support and focus on.

Our goal is to educate on what the process would look like to bring a food policy council to Labette and Montgomery County.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Katherine Pinto two weeks prior to the start of the event at (620) 232-1930 or email kdpinto@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.
