

SEWING CAMP

open to youth wanting to learn basic sewing skills

January 4, 11, 18, 25 | 4:30 - 6:00 p.m.

Montgomery County Extension Office Conference Room

410 Peter Pan Road, Independence

Youth attending the program will:

- learn sewing terms
- learn to thread sewing machine
- learn skills to apply to future sewing projects
- learn to wind bobbins
- understand sewing machine care
- complete several projects to take to fair

Participants will be **required to bring** their own shears, thread, pins, seam gauge, seam ripper and 2 yards of 100% woven cotton fabrics with a small or medium-sized design. \$5 cost per participant to cover additional supplies.

Contact Agent Holly Miner at (620) 331-2690 to RSVP by December 22

K-STATE
Research and Extension

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Holly Miner two weeks prior to the start of the event at 620-331-2690 or haminer@ksu.edu. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service
