Agronomy Night on December 9th in Independence

FOR IMMEDIATE RELEASE:
Hosted by: K-State Research and Extension – Wildcat District.
Event Location: Independence Community College –West Campus. 2615 W. Main St., Independence, KS
When: December 9, 2021 at 5:45 pm to 8 pm

Agronomy Night is an annual event that brings in great speakers to talk on all sorts of current farming topics. This year we will have Dr. Sarah Lancaster, K-State Herbicide Specialist, speaking on dealing with weeds in double cropped soybeans, and our local specialist, Dr. Gretchen Sassenrath, who will cover growing soft wheat in Montgomery County and results from local wheat variety trials.

Free and dinner is provided. Sponsored by many great local businesses: Bartlett Coop, Frontier Farm Credit, Corner Post Crop Insurance, Community State Bank, Community National Bank and Trust, Triple D Seed, Pro-Ag Services, Caney Agri Services, and Prairieland Partners.

Register to attend by December 6th. Call 620-331-2690 or email jcoover@ksu.edu

An informational flyer can be downloaded from the Wildcat District website at www.wildcatdistrict.k-state.edu. For more information, contact James Coover, Crop Production Agent, jcoover@ksu.edu or (620) 724-8233.
