A New Family and Community Wellness Agent for Wildcat District Extension

Hello, I am Valori Stone. I have been serving the Wildcat District as a Family and Community Wellness Agent for K-State Research and Extension since May 1st. I am serving all of the Wildcat District, which encompasses offices in Altamont, Fredonia, Girard, Independence, and Pittsburg. I am based out of the Fredonia office located in Wilson County.

I am excited to be serving the communities in Southeast Kansas. I have lived in this area for over 50 years and have worked in the field helping people in this area for over 20 years. I earned both my Bachelor's and Master's Degrees in Counseling and Psychology from Pittsburg State University. For the past few years, I was employed as the 4-H and Youth Development Agent in Cherokee County located in Columbus, KS.

In my new role as a Family and Community Wellness Agent, I will develop and deliver educational programs to build healthy, sustainable communities, families, and individuals. Programming may include but is not limited to, strengthening families and individuals; building community capacity; family and community health and wellness; and local volunteer development.

For more information, please contact Valori Stone, Family & Community Wellness Agent, valori@ksu.edu, or 620-378-2167
