Dear Wildcat District Supporter,

Last year, we raised over \$12,000 during our annual online auction to support extension outreach in Crawford, Montgomery, Labette and Wilson Counties. These funds covered activity fees and scholarships for 4-H students, program study materials and direct education supplies for adults and youth including a mobile beehive and hand weights for senior adult exercise classes.

Because we know we cannot do the important work of extension without our volunteers, we are also sponsoring a **new Wildcat District Volunteer Conference** this April – an evening of networking, appreciation and development for our 4-H club leaders, program discipline committee members, board members, master food volunteers and master gardeners.

*Your tax-deductible contribution of any amount will directly support these low or no-cost research-based, unbiased programs and activities to help improve the lives and livelihoods of our families.* If you or your business can become a sponsor, please see the information enclosed and consider making a donation of any amount by credit card or e-check online today at [www.bit.ly/extfoundation](http://www.bit.ly/extfoundation) or by calling (620) 724-8233.

This year, our Annual Online Auction will be held **April 20-23 at [www.benefitbidding.com/wildcat](http://www.benefitbidding.com/wildcat)**. We also welcome auction item donations and will gladly promote your business and information in return. *Please let us know if you have an item, experience, or creative idea to donate to our auction by April 1.*

Your generosity and creativity will determine how much of a difference we can make this year. Thank you for your commitment to the future of Crawford, Montgomery, Labette and Wilson Counties, and to the people of the Wildcat District.

Sincerely,

Wildcat Extension Education Foundation Board:

Mark Johnson (Chair, Crawford County)  
Marilyn Kidd (Vice Chair, Wilson County)
